

## POSSIBLE PASTORAL MUSICIANS FOR A WEDDING

Your wedding ceremony is an expression of your love for one another, but also an expression of God's love in your lives and that of the greater community. More than simply a civil service, a Catholic wedding is a sacred religious Sacrament. As you celebrate the Sacrament of your wedding, music helps elevate the prayer and importance of the beginning of your married life together. This list is meant to assist you in identifying musical accompaniment for your wedding. Other persons and music may be used with permission of the pastor and in consultation with Debbie Barrett. Please schedule and arrange your pastoral musicians as soon as possible.

Pre-recorded music is not permitted at a Catholic Wedding. Secular music is not permitted during the actual ceremony. Secular music, while discouraged, may be used during seating of guests but must be in accord with a Christian understanding of love, marriage, and family with the final selection subject to priest/pastor approval. And it must not be pre-recorded.

For any questions regarding music or consultation, please contact Debbie Barrett, who is the director of music at St. Gabriel. Her email address is [dabarret5@yahoo.com](mailto:dabarret5@yahoo.com)

**Scheduling and compensation for musicians is done directly between the couple and the musicians. The pastor/parish does not arrange, but does reserve the right of final approval.**
